INT. JAY'S ROOM - DAY

JAY is getting ready for school as his two pillows SUZETTE and BRAD watch.

SUZETTE

Jay, baby, you still have plenty of time before school, I know how long you take.

BRAD

C'mon...me bro, come ON me and in me, duh.

JAY

Guys, guys, well actually, lady and guy, I can't. I'm late and we're taking a break, remember?

SUZETTE

(whines)
But Jay!

BRAD

(whines)
Bro!

ANGLE ON: Jay's uncomfortable face as he watches his pillows whine and cry until he hears HER.

NEW FEMALE VOICE (O.S.)

Hey Jay.

Jay turns around to see an ad for online poker is talking to him. A sexy blonde woman is posing Vanna White style displaying a billboard that's blinking "PLAY POKER - WIN BIG!" Her name is LEILA. Jay has a new crush, he melts over to the computer.

JAY

Well hello there, and who might you be?

LEILA

Leila, and I'm going to change your life. You seem like a big, strong, man I bet you can win huge.

JAY

Win huge?

LEILA

Yeah, big man, I can help you become a millionaire overnight. And you know what millionaires have?

JAY

Tons of pillows.
(beat)
I'm in.

LEILA

Fantastic. I just need a major credit card.

JAY

Oh, okay hold on.

Jay rushes out of his room.

INT. JAY'S BROTHER'S ROOM - SAME

Jay sneaks into his brothers' room, they're both still asleep. He grabs a pair of pants on the floor, takes out the wallet, and takes out a credit card. He grins and rushes out. He slams the door.

VAL

(asleep)
I don't want to go to school today, mommy!
(wakes himself up)
I mean I'm up!

Val looks around. CUT TO our TITLES.

ACT ONE

INT. SCHOOL HALLWAY - CONTINUOUS

Andrew and Nick walk towards their lockers.

ANDREW

I've gotta meet with the guidance counselor today.

NICK

You okay?

ANDREW

Sure, sure. Well actually, I feel like I am living in a prison whenever I am home.

(MORE)

ANDREW (CONT'D)

Mostly thanks to my dad who I fear I'm grow more and more like each day and will end up just being him and then spawn another version of him and the cycle continues so...no I guess I'm not. On the plus side, I get to skip gym.

NICK

Nice. If it makes you feel any better, heard the new counselor is like really pretty.

ANDREW

What?

NICK

Yeah, rumor is she's like a babe. I'll see you after!

Maury pops up out of a locker just as Nick leaves Andrew.

MAURY

Did I hear a babe alert?

He has a portable siren on his head holds up flashing lights like a cop car.

MAURY

Babe alert, babe alert!

ANDREW

Alright, settle down. I love Nick but he has had some unique taste in women sometimes, do you remember when he was crushing on Helen Mirren for like a month?

MAURY

Yeah but that Dame is a sexy Queen, literally, have you watched The Queen? I had a hard-on for three Christmases.

ANDREW

I guess you're right, but I just don't trust always Nick's--

INT. GUIDANCE COUNSELOR'S OFFICE - DAY

Andrew cuts himself off as he walks into the doorway to the guidance counselor's office and sees HER, the new guidance counselor. MS.

JOHNSON (33, a babe in school-appropriate clothing).
Andrew's jaw drops. Maury get's out the siren, flashing
lights, and goes nuts.

MAURY

Code red, this babe is on fire! I'm
gonna have to jack off in the
bathroom after this. It's cool if
we skip history class right? I'm
gonna need the full period.

MS. JOHNSON

Hi, you must be Andrew, I'm Ms.
Johnson.

Andrew is still caught off by her beauty.

ANDREW

Oh, uh, howdy.

MAURY

Smooth.

She smiles and shuts the door as he enters her office.

INT. GYM CLASS - DAY

Students are standing around pretending to play volleyball
but are on their phones. Coach Steve tries to teach.

COACH STEVE

Okay kiddos, I know you don't need
your phones out to play volleyball,
but if you have important stuff to
respond to, I'll allow it! I know
one time I had to respond Y to keep
getting the Subway Sandwich texts
and that took me a minute but hey!
Unlimited \$5 foot longs for me!

Devin and Lola are holding up their phones taking selfies.

LOLA

Ohmigod the kitty filter makes us
look so cute!

DEVIN

Yeah, totally, now like can you
step out of my frame? I just want a
solo selfie. SnapIt is, like, so
much fun!

Jessi overhears them and rolls her eyes. Missy notices.

MISSY

Jessi, are you not a fan of society's constant addiction to social media?

JESSI

No, not really, seems dumb to me. I do wish we could play volleyball.

Nick has his phone out, looks at it and takes a selfie.

NICK

(looking at phone)

Whoa, I would make a pretty girl.

JESSI

Yeah, not surprised.

NICK

It's kind of fun to me.

He posts the photo to his SnapIt Story.

ANGLE ON: His phone showing ZERO followers.

CONNIE

Don't you worry sugar, you're still new, you'll get some hits soon.

Coach Steve is now holding the volleyball.

COACH STEVE

Alrighty let's learn how to serve and I don't mean dinner!

He moves his arm to hit the ball. He hits it.

COACH STEVE

Fore!

The ball slams a STUDENT in the face, they fall down.

COACH STEVE

Uh, oh...allergy kid, you ok?

The kid doesn't move.

COACH STEVE

Class dismissed guys! Please don't tell your parents!
